

Miniature micro switch DM1-01D-30G [DM1-01D-30G]

Miniature micro switch DM1-01D-30G

Electrical:

Dielectric strengths:	500V AC for 1 minute
Rating:	1A 125V AC
Insulation resistance:	≥100 MOm 500V DC
Contact resistance:	≤50 mOm

Mechanical:

Operating temperature:	-25°C ~ +65°C
Ambient humidity used:	≤85% RH
Solder specifications:	≤240±5°C 5 sec
Operating Force:	on request
Operating life:	mechanical life 1000000 cycles, electrical life 30000 cycles
