MAKE IT YOUR WAY

The **da Vinci 1.0A** 3D Printer will revolutionise the way you live. da Vinci allows you to create and customise your home with the push of a button.

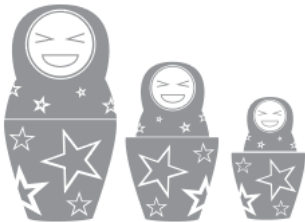

BEST+

WHAT'S YOUR COLOR? [More Filaments \(/global_en/product/filament\)](/global_en/product/filament)

Easy to install filament cartridges available in many vivid colours. XYZprinting Filament Cartridges are designed and tested to ensure that there is no distortion in colour or form ensuring your designs come out perfect every time.

Big

With its robust build size of 7.8 x 7.8 x 7.8 inch (20x20x20cm), the da Vinci 1.0A is on average 69% bigger than all competing 3D printers for a fraction of the cost!

Easy

The da Vinci 1.0A is ready-to-go right out of the box. This plug-and-play 3D printer features easy-to-install filament cartridges for quick refills and filament swaps.

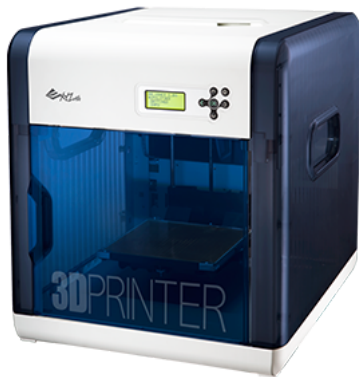

Safe

CE certified, the da Vinci 1.0A 3D printer features a fully-enclosed design which protects users from the high temperatures required to print with and no external filament movement occurs during operation, so that you and your creation can print safely with XYZprinting.
